

CITATION JET

Hulcher Services can support a sustained emergency response around the clock by deploying Hulcher relief crews from around North America to the jobsite with our corporate Citation jet.

Hulcher owns and operates its jet out of the Denton, Texas Municipal Airport. The Citation jet is capable of being mobilized at a moment's notice to anywhere in North America, any time day or night.

Our veteran Captains and First Officers are ready to quickly respond to emergency situations anywhere in the United States, Canada and Mexico. With the jet we can quickly pick up our relief crews from our divisions and deliver them to any of more than 5,000 airports.

Hulcher's greatest asset is our network of qualified, experienced experts. For most emergencies, our crews are stationed all around North America to respond to emergencies wherever they occur. For large scale events, the Citation jet allows us to leverage our international pool of workers so we can sustain our response with fresh crews on a virtually limitless basis.

When making your emergency response plans, be sure to factor in your contractor's ability to sustain their response. Call Hulcher today at 800-637-5471 to learn more about how the Citation jet brings a nationwide team of professionals to your emergency jobsite for a fast and maximum response, when you need it most.
